### Notice of Competitive Oil and Gas Lease Sale

The Nevada State Office is holding a competitive oral sale of Federal lands in the State of Nevada for oil and gas leasing. We are attaching a list that includes the parcel numbers, legal land descriptions and corresponding stipulations. The list is available on the Internet at: <http://www.nv.blm.gov/minerals/>. If the site is not accessible, you may request a paper copy from our Information Access Center by calling (775) 861-6500 between the hours of 7:30 a.m. and 4:30 p.m.

#### When and where will the sale take place?

- When:** The competitive sale begins at 9:00 a.m. on Tuesday, December 12, 2006. The sale room opens at 8:00 a.m. for registration and assignment of bidder numbers.
- Where:** We will hold the sale at the Bureau of Land Management, Nevada State Office, 1340 Financial Boulevard, Reno, Nevada. Onsite parking is available.
- Access:** The sale room is accessible to persons with disabilities. If you need a sign language interpreter or materials in an alternate format, please tell us no later than one week before the sale. You may contact **Chris Pulliam at (775) 861-6506**.

#### How do I register as a bidder?

Before the sale starts, you must complete a bidder registration form to obtain a bidding number. The forms are available at the registration desk.

#### What is the sale process?

Starting at 9:00 a.m. on the day of the sale:

- the auctioneer offers the parcels in the order they are shown on the attached list;
- registered bidders make oral bids on a per-acre basis for all acres in a parcel;
- the winning bid is the highest oral bid equal to or exceeding the minimum \$2.00 bid;
- the decision of the auctioneer is final; and
- names of high bidders (lessees) remain confidential until the results list is available.

If a parcel contains fractional acreage, round it up to the next whole acre. For example, a parcel of 100.48 acres requires a minimum bid of \$202 (101 acres x \$2).

## What conditions apply to the lease sale?

● **Parcel withdrawal or sale cancellation:** We reserve the right to withdraw any or all parcels before the sale begins. If we withdraw parcels or cancel a sale, we will post a notice in our Information Access Center and announce the withdrawn parcels at the sale. We will also post a notice to our web page. If we cancel the sale, we will try to notify all interested parties in advance.

- **Lease terms:** Leases issue for a primary term of 10 years. They continue beyond the primary term as long as oil or gas is produced in paying quantities on or for the benefit of the lease. Rental is \$1.50 per acre for the first 5 years (\$2 per acre after that) until production begins. Once a lease is producing, we charge a royalty of 12.5 percent on the production removed or sold from the lease. You will find other lease terms on our standard lease form (Form 3100-11, June 1988 or later edition).
- **Stipulations:** Some parcels are subject to surface use restrictions or conditions affecting how you conduct operations on the lands. The stipulations become part of the lease and replace any inconsistent provisions of the lease form.
- **Bid form:** On the day of the sale, successful bidders must submit a properly completed bid form (Form 3000-2, October 1989 or later edition) along with their payment. The bid form is a legally binding offer to accept a lease and all its terms and conditions. Once the form is signed you cannot change it. **We will not accept any bid form that has information crossed out or is otherwise altered.**

We recommend you get a copy of the bid form and complete all but the money part before the sale. You can fill out the money part at the sale. Your completed bid form certifies that:

- (1) You and the prospective lessee are qualified to hold an oil and gas lease under our regulations at 43 CFR 3102.5-2; and
- (2) Both of you have complied with 18 U.S.C., 1860, a law that prohibits unlawful combinations, intimidation or collusion among bidders.

- **Federal acreage limitations:** Qualified individuals, associations, or corporations may only participate in a competitive lease sale and purchase Federal oil and gas leases from this office if such purchase will not result in exceeding the State limit of 246,080 acres of public domain lands and 246,080 acres of acquired lands (30 U.S.C. 184(d)). For the purpose of chargeable acreage limitations, you are charged with your proportionate share of the lease acreage holdings of partnerships or corporations in which you own an interest greater than 10 percent. Lease acreage committed to a unit agreement or development contract that you hold, own or control is excluded from chargeability for acreage limitation purposes.

The acreage limitations and certification requirements apply for competitive oil and gas lease sales, noncompetitive lease offers, transfer of interest by assignment of record title or operating rights, and options to acquire interest in leases regardless of whether an individual, association, or corporation has received, under 43 CFR 3101.2-4, additional time to divest excess acreage acquired through merger or acquisition.

- **Payment:**

- **You cannot withdraw your bid.**

- **Payment due on the day of the sale:** For each parcel you are the successful high bidder, you must pay the minimum bonus bid of \$2 per acre or fraction of an acre; the first years' advance annual rental of \$1.50 per acre or fraction of an acre; and a non-refundable administrative fee of \$130. You must make this payment either during the sale or immediately following the sale.

- **Remaining payments:** If your bonus bid was more than \$2 per acre or fraction of an acre and you didn't pay the full amount on the day of the sale, you must pay the balance of your bonus bid by **4:30 p.m. on December 27th 2006**, which is the 10<sup>th</sup> working day following the sale. **If payment is not received by BLM in full by this date, you lose the right to the lease and you will forfeit the money you paid on the day of the sale.** We may offer the parcel in a future sale.

- **Method of payment:** You can pay by:

- personal check;
- certified check;
- money order; or
- credit card (Visa, Mastercard, American Express or Discover).

**Please note** , BLM will not accept credit or debit card payments to the Bureau for an amount equal to or greater than \$100,000. We also will not accept aggregated small amounts to bypass this requirement. We encourage you to make any payments of \$100,000 or more by Automated Clearing House (ACH) or Fed Wire transfer.

Make checks payable to: **Department of the Interior-BLM**. We do not accept cash. If you previously paid us with a check backed by insufficient funds, we will require a guaranteed payment, such as a certified check.

- **Lease issuance:** After we receive the bid forms and all monies due, we can issue the lease. Usually, a lease is effective the first day of the month following the month we sign it. If you want your lease to be effective the first day of the month in which we sign it, ask us in writing before we sign the lease.

### **How can I find out the results of this sale?**

We post the sale results in our Information Access Center and the Internet at: <http://www.nv.blm.gov/minerals/>. You can purchase a printed copy of the results list from the Information Access Center.

### **How do I file a noncompetitive offer to lease after the sale?**

Lands that do not receive a bid and are not subject to a pre-sale offer are available for a two-year period beginning the day after the sale. To file a noncompetitive offer, you must submit:

- Three copies of standard lease form 3100-11, *Offer to Lease and Lease for Oil and Gas* properly completed and signed. (Note: We will accept reproductions of the official form, including computer generated forms, that are legible and have no additions, omissions, other changes, or advertising. **If you copy this form you must copy both sides on one page.** If you copy the form on 2 pages or use an obsolete lease form, we will reject your

**offer).** You must describe the lands in your offer as specified in our regulations at 43 CFR 3110.5; and submit

- \$335 nonrefundable administrative fee; and
- First year's advance rental (\$1.50 per acre or fraction thereof)

File offers on the day of the sale and the first business day after the sale in the Information Access Center. We consider these offers simultaneously filed. When a parcel receives more than one filing by 4:30 p.m. on the day after the sale, we will hold a drawing to determine the winner. Offers filed after this time period, receive priority according to the date and time of filing in this office.

### **How do I file a noncompetitive presale offer?**

Under our regulations at 43 CFR 3110.1(a), you may file a noncompetitive presale offer for land that:

- are available; and
- have not been under lease during the previous one-year period; or
- have not been included in a competitive lease sale within the previous two-year period.

Your noncompetitive presale offer to lease must be filed prior to the official posting of this Sale Notice. If your presale offer was timely filed, was complete and we do not receive a bid for the parcel that contains the lands in your offer, it has priority over any other noncompetitive offer to lease for that parcel filed after the sale. Your presale offer to lease is your consent to the terms and conditions of the lease, including any additional stipulations. If you want to file a presale offer, follow the guidance listed above for filing a noncompetitive offer after the sale and the regulations at 43 CFR 3110.1(a).

If we don't receive a bid at the sale for the parcel(s) contained in your presale offer, we will issue the lease. You can withdraw your presale offer prior to the date we sign your lease.

### **How do I nominate lands for future sales?**

- file a letter with this office describing the lands you want posted to a sale – please refer to the Nevada State Office guidelines;
- file a presale offer

### **When is the next competitive oil and gas lease sale scheduled in Nevada?**

We are tentatively holding our next competitive sale on March 13, 2007. Nominations for the June 12, 2007 oil and gas sale are due in our office by 4:30 p.m. on January 12, 2007.

### **May I protest BLM's decision to offer the lands in this Notice for lease?**

Yes, under regulation 43 CFR 3120.1-3, you may protest the inclusion of a parcel listed in this sale notice. **All protests must meet the following requirements:**

- We must receive a protest no later than close of business on the 15<sup>th</sup> calendar day prior to the date of the sale. If our office is not open on the 15<sup>th</sup> day prior to the date of the sale, a protest received on the next day our office is open to the public will be considered timely filed. The protest must also include any statement of reasons to support the protest. We will dismiss a late-filed protest or a protest filed without a statement of reasons.
- A protest must state the interest of the protesting party in the matter.
- You may file a protest either by mail, in hardcopy form or by telefax. You may not file a protest by electronic mail. A protest filed by fax must be sent to 775-861-6710. A protest

sent to a fax number other than the fax number identified or a protest filed by electronic mail will be dismissed.

- If the party signing the protest is doing so on behalf of an association, partnership or corporation, the signing party must reveal the relationship between them. For example, unless an environmental group authorizes an individual member of its group to act for it, the individual cannot make a protest in the group's name.

**If BLM receives a timely protest of a parcel advertised on this Sale Notice, how does it affect bidding on the parcel?**

We will announce receipt of any protests at the beginning of the sale. We will also announce a decision to either withdraw the parcel or proceed with offering it at the sale.

**If I am the high bidder at the sale for a protested parcel, when will BLM issue my lease?**

We will make every effort to decide the protest within 60 days after the sale. We will issue no lease for a protested parcel until the State Director makes a decision on the protest. If the State Director denies the protest, we will issue your lease concurrently with that decision.

**If I am the successful bidder of a protested parcel, may I withdraw my bid and receive a refund of my first year's rental and bonus bid?**

No. In accordance with BLM regulations (43 CFR 3120.5-3) you may not withdraw your bid.

**If BLM upholds the protest, how does that affect my competitive bid?**

If we uphold a protest and withdraw the parcel from leasing, we will refund your first year's rental, bonus bid and administrative fee. If the decision upholding the protest results in additional stipulations, we will offer you an opportunity to accept or reject the lease with the additional stipulations prior to lease issuance. If you do not accept the additional stipulations, we will reject your bid and we will refund your first year's rental, bonus bid and administrative fee.

**If BLM's decision to uphold the protest results in additional stipulations, may I appeal that decision?**

Yes, you may. Note, an appeal from the State Director's decision must meet the requirements of Title 43 CFR §4.411 and Part 1840.

**May I appeal BLM's decision to deny my protest?**

Yes, you may. Note, an appeal from the State Director's decision must meet the requirements of Title 43 CFR §4.411 and Part 1840.

**May I withdraw my bid if the protestor files an appeal?**

No. If the protestor appeals our decision to deny the protest, you may not withdraw your bid. We will issue your lease concurrently with the decision to deny the protest. If resolution of the appeal results in lease cancellation, we will authorize refund of the bonus bid, rentals and administrative fee if—

- there is no evidence that the lessee(s) derived any benefit from possession of the lease during the time they held it, and;

- There is no indication of bad faith or other reasons not to refund the rental, bonus bid and administrative fee.

**Who should I contact if I have a question?**

## **NOTICE TO LESSEE**

**Provisions of the Mineral Leasing Act (MLA) of 1920, as amended by the Federal Coal Leasing Amendments Act of 1976, affect an entity's qualifications to obtain an oil and gas lease. Section 2(a)(2)(A) of the MLA, 30 U.S.C. 201(a)(2)(A), requires that any entity that holds and has held a Federal coal lease for 10 years beginning on or after August 4, 1976, and who is not producing coal in commercial quantities from each such lease, cannot qualify for the issuance of any other lease granted under the MLA. Compliance by coal lessees with Section 2(a)(2)(A) is explained in 43 CFR 3472.**

**In accordance with the terms of this oil and gas lease with respect to compliance by the initial lessee with qualifications concerning Federal coal lease holdings, all assignees and transferees are hereby notified that this oil and gas lease is subject to cancellation if: (1) the initial lessee as assignor or as transferor has falsely certified compliance with Section 2(a)(2)(A) or (2) because of a denial or disapproval by a State Office of a pending coal action, i.e., arms-length assignment, relinquishment, or logical mining unit, the initial lessee as assignor or as transferor is no longer in compliance with Section 2(a)(2)(A). The assignee or transferee does not qualify as a bona fide purchaser and, thus, has no rights to bona fide purchaser protection in the event of cancellation of this lease due to noncompliance with Section 2(a)(2)(A).**

**Information regarding assignor or transferor compliance with Section 2(a)(2)(A) is contained in the lease case file as well as in other Bureau of Land Management records available through the State Office issuing this lease.**

STIPULATIONS TO ENSURE THE PROTECTION OF SNOWY PLOVERS WITHIN RALROAD VALLEY

1. To the extent possible, conduct all surface disturbing activities, within the playa areas of the valley, outside of the snowy plover nesting season which is approximately April 1<sup>st</sup> to August 31<sup>st</sup>.
2. If surface disturbance is necessary during the nesting season then a nest survey will be required if there is any potential for snowy plovers to be nesting in the area. If there is water in the playa within one mile of the project site, then there is the potential for plovers to be nesting near the project site. The survey should be performed by a qualified wildlife biologist with knowledge of snowy plover life history.
3. The zone of influence for disturbance will be 800 meters. If a nest occurs within 800 meters of a proposed action then the action should be repositioned or postponed until the chicks have fledged and left the nest.
4. The project site should be kept clean, and efforts should be made to reduce the attractiveness of the site to ravens and other scavengers or predators. Raven proof containers should be used wherever practicable.
5. Dogs should be kept on a leash at all times when on the project site.
6. Prohibit vehicle travel on the playa surface.
